**The 9th Minling Khenchen Rinpoche
Extends His Deep Appreciation And Gratitude**

Over the last year, despite recent economic situations, family difficulties and/or sickness, a growing group of dedicated supporters has generously contributed to our numerous projects for which I am personally very grateful. Your continued trust and belief in me and Dharma projects has truly helped by energizing me to accomplish more: to serve Dharma in whatever way needed – large or small. Please remember that your contributions have benefited many people.

As a Vice Chairman of the Nyingma Monlam Chenmo Organization, I would especially like to take this opportunity to express my appreciation to the generous donors who have shown their support to all of my projects as well as through three years of sponsoring the Nyingma Monlam Chenmo, held annually in Bodhgaya since 1989.

As you may know, I was the sponsor in-charge of this sacred gathering, also known as the Great World Peace Prayer Ceremony, for the alternating years of 2008, 2010, and 2012. Responsibilities of the sponsor include providing daily offerings and Tsog, travel expenses, food and accommodations for thousands of participating monks, nuns, and lay people from around the world as well as overseeing logistics and administration of the event. This very sacred gathering offers 10 days of prayers for World Peace and the liberation of all sentient beings. Normally, over 1600 monasteries register and the ceremonies are attended by over 10,000 senior monks, nuns, tulkus, khenpos, and ngakpas and lay people from all over the world.

The outstanding success of the Monlam Chenmo this year, and of the twenty-plus years past, reflects the immense generosity of precious donors as well as the ability and effort of all participants taking a collective responsibility and working together effectively – with true and sincere inspiration, motivation, and commitment directed towards achieving peace, happiness and the longevity of the Dharma in this world.

I would like to dedicate all the merit accumulated from this year's Monlam Chenmo to all sentient beings in different realms but especially to all project contributors for your continued support of the Dharma.

May the lives of the glorious masters be secure
And may all beings enjoy happiness and peace
May we all accumulate merit and wisdom
Purifying all negative karma
And swiftly reach enlightenment.

May all sentient beings enjoy happiness and all the causes of happiness
May they be free from suffering and the causes of suffering
May they never be separated from the great happiness devoid of suffering
And may they dwell in the great equanimity that is free from attachment and aversion.
